Investment Objective

The objective of the Sub-Fund is to achieve capital appreciation over the medium to long term by investing at least two-thirds of its total assets in a diversified portfolio of equities and equity-linked instruments issued by companies preponderantly involved, directly or indirectly, in the business of mining, processing, fabricating, distributing or otherwise dealing in gold and other metals or minerals. The Sub-Fund does not hold physical gold or metal. There is no formal restriction on the proportion of the Sub-Fund's net assets that can be invested in any one geographical region. Please see the Prospectus for the complete Investment Objectives.
