Investment Objective

The objective of this Sub-Fund is to achieve capital appreciation over the long term by investing at least two-thirds of its total assets in a diversified portfolio of equities and equity-linked instruments issued by companies which have their registered office or which exercise a preponderant part of their economic activities in Latin America countries. It is intended to give the Portfolio Manager maximum flexibility to invest the assets of the Sub-Fund to achieve the highest possible return to the investors. There is no formal restriction on the proportion of the Sub-Fund's total assets that can be invested in any specific country. Please see the Prospectus for the complete Investment Objectives.
