Investment Objective

The objective of the Sub-Fund is to achieve capital appreciation over the medium to long-term by investing at least two-thirds of its total assets in a diversified portfolio of equities and equity-linked instruments issued by mid and/or large cap companies which have their registered office in any country in the world or which exercise a preponderant part of their economic activities in any country in the world. This Sub-Fund is not sector specific and can invest in a broad range of sectors and industries. There is no formal restriction on the proportion of the Sub-Fund's total assets that can be invested in any one geographical region. Please see the Prospectus for the complete Investment Objectives.
